

Sometimes I Don't Know If I'll Make It

[Roger Alan Wade](#)

Advisory - the following lyrics contain explicit language:

Sometimes I don't know if I'll make it
Sometimes I wished I could walk away
Sometimes I don't know if I'll make it through
But you know I'm gonna do it anywayGot a guitar and a heart that's been broken
A sorry gig and borrowed cigarettes
A song I wrote for them jokers out there tokin'
And a cherry master chokin' mean old Knoxville half to deathOh, sometimes I don't know if I'll make it
Sometimes I wished I could walk away
Sometimes I don't know if I'll make it through
Hell, you know I'm gonna do it anywayGot a Jezebel and a hotel for shelter
A Jag I've been draggin' 'round for days
And a big mouth that had to go and tell her
What her big mouth momma told her anywayYeah, sometimes I don't know if I'll make it
Sometimes I wished I could walk away
Sometimes I don't know if I'll make it through
Well, you know we're gonna do it anywayYeah, sometimes I don't know if I'll make it
Sometimes I wished I could walk away
Sometimes I don't know if I'll make it through
But, you know I'm gonna do it anyway
