

# I Wanna Do It All

Terri Clark

I'm sittin' in traffic for the fifth year in a row  
Wastin' my time just to get where I don't even wanna go  
I started jauntin' things down on a crispy creme sack  
Everything I'd do if I could leave this place  
And never look back  
I wanna do it all, visit Paris in the fall  
Watch the Yankee's play ball, I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition lay down the law  
I wanna do it all  
I wanna drink Tequila down in Tijuana  
Say, "Why I'm not" when somebody says, "Hey do you wanna?"  
I wanna get my heart broke once or twice  
Settle down with the love of my life  
Rock little babies to sleep at night  
I wanna do it all, visit Paris in the fall  
Watch the Yankee's play ball, I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition lay down the law  
I wanna do it all  
I wanna stand today, every now and then  
Just doin' what I wanna do  
When I wanna do it  
(I wanna do it all)  
Anytime I wanna do it  
(I wanna do it all)  
I wanna do it all, visit Paris in the fall  
Watch the Yankee's play ball, I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition lay down the law  
I wanna do it all  
See Niagara Falls, fight City Hall  
Feel good in my skin  
Beatin' the odds with my back to the wall  
Tryin' to rob Peter without payin' Paul  
I wanna do it all, I wanna do it all  
I wanna do it all
