

Let's Bounce

Dj Amadeus

Waiting for the start of something
Before we go out of our minds
 All of this doing nothing
 Is taking up too much time
 Gotta be something better
Something more that we can do
 Time to get the party started
 Everybody's there too
You've got the wheels, I've got the feels
 We've got whatever it takes
She's got the groove, he's got the moves
 Everybody's ready to play
So let's bounce into something new
 Let's bounce 'cause we all want to
 Let's shout, gonna have some fun
 Everybody everyone
 Let's bounce, get the party on
Let's bounce, gonna dance till dawn
 Let's shout, gonna all tone down
 Everybody everywhere
 Let's bounce baby
Time for you to let your hair down
 Time to bump up the shelf
 Everybody is going crazy
 Working just the way we planned
You've got the style, I've got the wild
 We've got the place to be

She's got the moves, he's got the groove
 Everybody's ready to play
So let's bounce into something new
 Let's bounce 'cause we all want to
 Let's shout, gonna have some fun
 Everybody everyone
 Let's bounce, get the party on
Let's bounce, gonna dance till dawn
 Let's shout, gonna all tone down
 Everybody everywhere
 Big Apple to L.A.

All around the world the same
You know we've gotta make it loud
I'm ready baby, let's bounce
So let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyone
Let's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhere
So let's bounce
Let's bounce
Let's shout
Everybody everywhere
