

Broken Vase

Caitlyn Smith

Lord I'm asking,
For the silence,
To be broken in my heart.

For all the shadows,
All the secrets,
All that's hidden me torn apart.

Picture me, a broken vase,
Put me together, again.
Picture me, a broken vase,
Put me together, again.

Ignite this passion in my heart,
Reveal yourself to me.
Ignite this passion in my heart,
Reveal yourself to me.

Let your freedom,
Overwhelm me,
Rap around the arms of love.

'Til I'm running,
without stumbling,
'til my will comes undone.

Picture me, a broken vase,
Put me together, again.
Picture me, a broken vase,
Put me together, again.

Ignite this passion in my heart,
Reveal yourself to me.
Ignite this passion in my heart,
Reveal yourself to me.

Ignite this passion in my heart,
Reveal yourself to me.
Ignite this passion in my heart,

Oh,Reveal yourself to me.

Holy fire,
Burn away.

Holy fire,
Burn away.

All that is not of you,
All that is not of you,
All that is not of you.

Ignite this passion in my heart,
Reveal yourself to me,
To me.

Ignite this passion in my heart,
Reveal yourself to me,
Reveal yourself.

Reveal yourself to me.

Reveal yourself to me.

Reveal yourself.
