# Uh Oh

## 3lw

Yeaa Yeaa
(Kiely)
I met him last night
Me and my man just had a fight
Went to a party
I saw guys on my right
Thats when i saw this man in my light
(Uh oh, uh oh)
He had a body like oooh
Looked my eyes said
What you wanna do
He pulled me in close and put his lips on mine That's when my man came in from behind
(3LW)
Uh oh
My man just seen me with another
Thug yo
I think I'm in a little bit of trouble
He caught me red handed
And I don't know
What I'm gonna do
I got caught up, in the moment
And I neva thought of
What would happen
If he ever saw us
But he did and I and I don't know what to do
(Adrienne)
Stormed out upset
It wasn't my fault
But I look suspect
Cuz dude was all up on me like that
My man neva shoulda saw me like that
so I told boy
I'll be right back
I'm lookin for my man
But just like that
He was gone
And ain't never come back
And there aint nothin I can say that
That'll make him wanna stay

(3LW)
Uh oh
My man just seen me with another
Thug yo
I think I'm in a little bit of trouble
He caught me red handed
And I don't know
What I'm gonna do
I got caught up, in the moment
And I neva thought of
What would happen
If he ever saw us
But he did and I and I don't know what to do

(N.O.R.E)
oh its just a sign, going straight back
All the shit I did for
you way back
Breaking my stacks in half
We would smoke stacks and laugh
Now you behind my back with another cat
You at
How you gon' do me like that
I wouldn't have been steady
If I knew you was hoeing around
And all this time I thought my boo
Was really holding it down,
It's over wit now
I ain't even knowing you now
Ask u new friend
why you mad at N.O.R.E. now, I'm out.
