Whistle Crew

Rusko

Dubselecta!
Whistles and horns, light a massive.
Time to come alive inside the place.
All Massive!
Dubplate style.
Oh Gosh!
Inside the place; time to step up the pace.
Whistle Crew!
Let me sing, sing it out loud. (Dubplate style)
Let me sing, the time is now, the time is now to sing. (Oh Gosh!)
Sing it out loud. (Time to step up the pace.)
Let me sing, sing it out loud.
Whistle Crew!
Alls Massive!
Dubplate style.
Oh Gosh!
Inside the place; time to step up the pace.
Whistle Crew!
Alls Massive!
Hardcore, listen up.
Dubplate style
Hardcore, listen up.
Oh Gosh!
Hardcore, listen up.
Time to step up the pace.
Hardcore, listen up.
Whistle Crew!
Dubselecta!
Whistles and horns, light a massive.
Time to come alive inside the place.
All Massive!
Dubplate style.
Oh Gosh!
Inside the place; time to step up the pace.
Whistle Crew!
All Massive!
Let me sing, (Hardcore, listen up), sing it out loud. (Dubplate style)
Let me sing, (Hardcore, listen up), the time is now, the time is now to sing. (Oh Gosh!)
(Hardcore, listen up), Sing it out loud. (Time to step up the pace.)

Let me sing, (Hardcore, listen up), sing it out loud.
