

If You Want Affection

Red Sleeping Beauty

If you want affection
I want affecting, tooIf you want possessions
I want possessions, tooYou need someone to tell you
what you are looking for
You need some more
You can't escape thatYou want someone to tell you
what you could stand up for
You want some more
You can't escape thatIf you need a lover
I need a lover, too
If you need a true love
I need e true love, tooYou need someone to tell you
what you are looking for
You need some more
You can't escape thatYou want someone to tell you
what you could stand up for
You want some more
You can't escape thatOne day you see the famous
light at the end of the tunnel
Then you hear the train whistleYou need someone to tell you
what you are looking for
You need some more
You can't escape that
You want someone to tell you
what you could stand up for
You want some more
You can't escape that
