

# It's Only (feat. Zyra) - LuQuS Remix

## Odesza

I heard the news today  
That you're not mine to keep  
Don't struggle too much now  
While I kill you in your sleep  
What is lust if it's not beating by yourself?  
I won't be gentle to the body on the shelf  
It's only water  
It's only fire  
It's only love  
It's only slaughter  
We're only liars  
It's only blood  
They're only thoughts that  
I'm having thoughts safe within my head  
You're only crying  
You're only dying  
You're only late  
I heard the news today  
That you weren't not mine to save  
I hope that you're comfortable  
In the quiet plastic grave  
What is lust if it's not beating by yourself?  
I won't be gentle to the body on the shelf  
It's only water  
It's only fire  
It's only love  
It's only slaughter  
We're only liars  
It's only blood  
They're only thoughts that  
I'm having thoughts safe within my head  
You're only crying  
You're only dying  
You're only dead  
It's only water  
It's only fire  
It's only love  
It's only water  
It's only fire  
It's only love  
It's only water  
It's only fire  
It's only love  
It's only water  
It's only fire  
It's only love  
It's only water

It's only fire  
It's only love  
It's only slaughter  
We're only liars  
It's only blood  
They're only thoughts that  
I'm having thoughts safe within my head  
You're only crying  
You're only dying  
We're only dead
