

# Don't Go Away Senor

[Marty Robbins](#)

In my wandering days I wandered south of the border  
I ended up in a little Mexican town  
Was there I met a lovely senorita  
There she offered her heart if I promised I'd settle down  
Love beyond compare eternally happy  
This could have been but I just had to wander instead  
As I rode away with tears in her eyes she was pleading  
I can still see her tears I can still hear the words she said  
Don't go away senor don't go away

Don't go away senor don't go away don't go away don't go away  
Guess my wanderin' is through I just can't  
forget her

My love for her keeps pulling deep down within  
There's nothin' to do but ride back south of the border  
And beg her forgiveness and never wander again  
Don't go away senor...
