

Fly Away

B*Witched

Ohhhh fly away Maybe I won't stay
Here in the shadow of dawn
Baby please don't cry
'cos I will be by your side Leading me to a distance land
Baby won't you take my hand
And we will fly away
(tataratutu)
Fly away
Who knows what we'll see
Oh fly away
(tataratutu)
Fly away
To the end we wannabe Time at night to day
And open my eyes to the light
I will see you there
Together forever so right Leading me to a distance land
Baby won't you take my hand
And we will fly away
(tataratutu)
Fly away
Who knows what we'll see
Oh fly away
(tataratutu)
Fly away
To the end we wannabe Fly away
Ohhhhhh
Fly away
Baby fly
(tataratutu)
Fly away
Who knows what we'll see
Oh fly away
(tataratutu)
