Tell Me What You Want

Loose Ends

Tell me what you want
Tell me what you wantIf you want me to love you
If you want me to hug you
Tell me what you wantIf you want me to squeeze you
If you want me to please you
Tell me what you want, ohI seen you walking home
On my way home from school
You got to glance at me
You think you're acting coolMy friends have told me
That you wanna know my name
Lets stop this peek-a-boo
Come clean and state your game, oh no noIm not really sure
If I should love you, baby
You keep coming back for more
You're driving me crazyShould I hug you?
Should I love you?
Should I please you?
Should I squeeze you?Tell me what you want
I ain't psychic, I can't read your mind, oh baby
Tell me what you want
'Cause I ain't psychic, I can't read your mindEvery night I dream of being by your side
And [Incomprehensible]
I feel so lost 'cause I wish I was your guy
Give me a chance, I wanna try love againQuit playing games with me
Lovin don't come free
I'll dry my eyes
And listen to your sweet talking liesOhh don't you that I'm not telling lies
Maybe you've gone crazy
You took me by surprise
Please believe me, babyShould I tell you
When I want you?
That I'm always
Thinking of youTell me what you want
I ain't psychic, I can't read your mind, oh
Tell me what you want
Darling, won't you tell me what you want, babyTell me what you want
'Cause I ain't psychic, I can't read your mind
Tell me what you want
Why don't you tell me what you want, baby

Right nowOh baby, tell me what you want
'Cause I ain't psychic, I can't read your mind, no
Tell me what you want, noTell me what you want
'Cause I ain't psychic, I can't read your mind, no
Tell me what you want
No, can't you give it to me, girlTell me what you want
Tell me what you want
Tell me what you want
Tell me what you wantTell me what you want
Tell me what you want
Tell me
