Song Sung Blue

James Last

Song sung blue
Everybody knows one
Song sung blue
Every garden grows oneMe and you are subject to the blues now and then
But when you take the blues and make a song
You sing them out again
Sing them out againSong sung blue
Weeping like a willow
Song sung blue
Sleeping on my pillowFunny thing, but you can sing it with a cry in your voice
And before you know, start to feeling good
You simply got no choiceSong sung blue
Everybody knows one
Song sung blue
Every garden grows one
