

Song Sung Blue

James Last

Song sung blue
Everybody knows one
Song sung blue

Every garden grows oneMe and you are subject to the blues now and then

But when you take the blues and make a song

You sing them out again
Sing them out againSong sung blue

Weeping like a willow
Song sung blue

Sleeping on my pillowFunny thing, but you can sing it with a cry in your voice

And before you know, start to feeling good

You simply got no choiceSong sung blue
Everybody knows one
Song sung blue

Every garden grows one
