

Mad Dog 20/20

Teenage Fanclub

If I could ask you how you feel
Would you reply or produce a shield
For such a long time
Been drinking this wine
That I don't know And all my friends keep telling me
That you can't drink or get drunk for free So I'll admit
While I'm still fit
Of my love That wine was the best girl I ever had
That wine was the best girl I never had I can't deny the feeling
Fizzin' inside my head
All my senses wash away these blues that I've been fed And if I could ask you how you feel
Would you reply or produce a shield? I'm out on the street
And dead on my feet
Oh my love That wine was the best girl I ever had
That wine was the best girl I never had
