

Know (feat. Khary WAE Frazier)

Motel Connection

Go with the flow
As it rolls
Through the mold
Don't oppose
The unknown
Cause it's worth all the gold
As our compass will show
We're in motion for more
Through the beats and the notes
This the freedom of soul
Go with the flow
As it rolls
Through the mold
Don't oppose
The unknown
Cause it's worth all the gold
As our compass will show
We're in motion for more
Through the beats and the notes
This the freedom of soul
