Fallout

Catfish and The Bottlemen

I pissed you off again
So that you'd leave me
Alone in Leeds again
And I got my stuff and left
'Cause I got this friend see
Who put me up againOh but no, you still had to call
Oh but no, you still had to comeBut we just always
Seem to just fallout
When I'm most in need of itSo I spent my yesterday
Ducking your calls
And in fear that things would change
So I tidied up my place
'Cause you always told me
It got me thinking straightOh, but no, you still had to call
Oh, but no, you still had to comeBut we just always
Seem to just fallout
When I'm most in need of it
And you just always
Seem to just call out
When I'm up for leaving itYou see now
I'm sorry if I drove, your matches to my clothes
But you know how I can get sometimesYou see now
I'm sorry if I drove, your matches to my clothes (Woo!)You see I
I was a test-tube baby
That's why nobody gets meYou see I
Struggle to sleep at night
But it's fine, she never lets meYou see I
I was a test-tube baby
That's why nobody gets meYou see I
Struggle to sleep at night
But it's fine, Mary don't let meNobody gets me
