

Please Remember Me

Tim McGraw

All our tears have reached the sea
Part of you will live in me
Way down deep inside my heart
The days keep coming without fail
New wind is gonna find your sail
That's where your journey starts [Chorus]
You'll find better love
Strong as it ever was
Deep as the river runs
Warm as the morning sun
Please remember me Just like the waves down by the shore
We're gonna keep on comin' back for more
'Cause we don't ever want to stop
Out in this brave new world you'll see
Ov'r the valleys and the peaks
And I can see you on the top You'll find better love
Strong as it ever was
Deep as the river runs
Warm as the morning sun
Please remember me Remember me when you're out walking
When snow falls high outside your door
Late at night when you're not sleeping
And moonlight falls across your floor
And I can't hurt you anymore You'll find better love
Strong as it ever was
Deep as the river runs
Warm as the morning sun
Please remember me Please remember me
