

The Black

Asking Alexandria

[Verse 1]

Bury me, just leave me to sleep in the dirt
Finish me, I'm floating away
There's a demon staring straight through your eyes
Am I wasting my time?
Something's dying inside of me[Pre-Chorus]
You make me feel like I'm fucking drowning
(I need to cut you out, I need to cut you out)
You made my world come crashing down around me
(I need to cut you out)[Chorus]
Oh God I wish you'd just speak to me
Black is all that I see

Speak to me

You used to be all that I needed[Verse 2]
I've been crucified and hung out to dry
Yet my heart still beats and I feel so alive
This time I'll fight for myself as you try to fuck me over
I bet you never cared, I knew you never cared[Pre-Chorus]
You make me feel like I'm fucking drowning
(I need to cut you out, I need to cut you out)
You made my world come crashing down around me
(I need to cut you out)[Chorus]
Speak to me

Black is all that I see

Speak to me

You used to be all that I needed[Bridge]
I need to cut you out, I need to cut you out
I need to cut you out, I need to cut you out
I wish you could save me, there's something lost inside
I'm scared it might kill me
All my life I've needed you with me
You've always let me down
But still I try
Don't leave me here
I need you around (Don't turn your back on me)
Lift my feet off the ground (I can't cut you out)
Your tongue like a knife
Your eyes cut like daggers
I don't feel a thing 'cause I'm so dead inside

Lift my feet off the ground
Don't leave me here
I need you around
