Words Mean Nothing

Veil Of Sorrow

Somehow I knew what lay ahead
Different shades but all the same
Words mean nothing in the end
The things you feel,the things you sayEyes may open but cannot see
Torn open to a bleak reality
The silent waves of a pitch black sea
Laying waste the last of meAll the wounds of the tortured heart
All the whispers of the silent cry
All time has gone,(it) won't come again
All wings severed,I know I've failedThey can't see it
Don't know it's there
To bring me to my knees
