

Baby, I Love Your Way (New R&B Version)

Big Mountain

Ooh, baby, I love your way
Everyday, yeah
Ooh, baby, I love your way
Everyday Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city But don't, oh no hesitate
'Cause your love just won't wait Ooh, baby, I love your way
Everyday, yeah
I wanna tell you I love your way
Everyday
I wanna be with you night and day Moon appears to shine and light the sky
With the help from some fireflies
I wonder how they have the power to shine, shine, shine
Well I can see them under the pine But don't, oh no no, hesitate, la di da
'Cause your love just won't wait Ooh, baby, I love your way
Everyday, yeah
I wanna tell you I love your way
Everyday, yeah
I wanna be with you night and day
Whoah baby, oh baby please Everyday
I will love, I will love hon
I love your way
Oh baby please I can see the sunset in your eyes
Brown and gray and blue besides
Clouds are stalking islands in the sun
I wish I could buy one, out of season But don't, oh no no, hesitate, la di da
'Cause your love just won't wait, just won't wait Ooh, baby, I love your way
Every, everyday, yeah
I wanna tell you I love your way
I wanna tell you, I will love your pretty ways
I wanna be with you night and day
Everyday and in every way Ooh, baby, I love your way
Ooh baby, how I love your little ways, yeah
I wanna tell you I love your way
I wanna tell how I, I wanna tell you how I love your little ways
I wanna be with you night and day Ooh, baby, I love your way
Ooh baby, baby, baby yeah

I wanna tell you how I love your pretty ways
