Radio Dancing

Engelbert Humperdinck

Come here
Sweet girl
Let me hold you
I'll kiss the tiredness away.
There's so many good things I owe you
And you're gonna have them all some day.
Got no money
No place to go
But we can dance the radio.
'Cause you can't go wrong with a fovorite song
And Michael Jachson in stereo.
Get the bottle
I need some wine
I want your body
Love
Ever close to mine
Gotta private show dancing to the radio.
One day I'm gonna take you to London
We'll stay at a fancy hotel.
And baby
You'll knock 'em dead in the disco
But tonight this 'll do just as well.
Got no money
No place to go
...
Got no money
No place to go
...
Get the bottle
I need some wine
I want your body
Love
Ever close to mine
Gotta private show dancing to the radio.
Got no money
No place to go
...
