

Wat Da Hook Gon Be

Murphy Lee

Yo, yo, yo, yo, you never met a n*** like me
Yo, yo, have you ever seen a little dude
Who be doin' what I do? Yo, let's get at it, dog Now what goes up, must come down
But we ain't comin' down, it be them same ole' clowns
Aimin' your pound, pretendin' they proud
But when you leave town, they go around runnin' they mouth They somethin' like a hater, man
Talkin' bad about a playa as if I'm not gon' see you later, man
You constantly frontin' until you confronted on
If you don't like what's goin' on, go on to another song 'Cause I keep a hater guilty
My cars an' my money all alike, man, both them filthy
From skimpy an' empty to fuel on full
See I be h*** when my 'Ca-go Bulls Obey no rules to school you fools
Schoolboy's err'y where, we're Young Dude news
St. Louis like Blues, D. Miles an' Larry Hughes
An' the Young Dude done paid young dudes' dues, dude But yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin' 'round an' I'ma rip Yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin' 'round an' I'ma rip The sun'll come out tomorrow
An' I will never have to borrow Got my first car when I turned sixteen
Only drove it home outta town limousines
Plus we was broke wit a deal but nobody could tell
So we did what we had to do for 'Country Grammar' to sell I stay on my own melodies
Plus I like my Booties an' my B*** like a capital letter B
That's how it is, how it better be
I preferably rather have two or three girls in the b*** wit me Close your errs, ma, you ain't heard nothin'
I always pay, ma, let a brother hold somethin'
I'm basically comin' from nothin' to somethin'
When I say nothin', meanin' pocket full of lint an' buttons
Used to be creative on Halloween, how you gon' stop a hotter teen?
Went from nada to a lot of things But yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin' 'round an' I'ma rip Yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin' 'round an' I'ma rip People always sayin', Man, it must be nice

No hi, no nothin', not a simple house life
Understand the money's good but I'm still from the hood
So don't be askin' for no inch an' be expectin' the foot Unless you want a foot
I know a few crooks that can place you where you need to be put
An' it might not cost me, playa
Got a Benz, pepper interior, paint salty, playa An' we all push it but me, I push it real good
Brains blown out, chromed out, wheel real wood
Catch me on your local derry
Or in the studio doin' vocals derry I'm the same dude that came through wit my crew
Let the girls do while you do
An' um, all I need is JD beat to be bangin'
An' I'ma come up wit these verses that I'm usually slangin'
I be rippin', man But yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin 'round an' I'ma rip Yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin 'round an' I'ma rip But yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin 'round an' I'ma rip Yo, what da hook gon be?
See I don't need no f*** hook on this beat
All I need is the track in the background
My headphones loud, keep the b*** goin 'round an' I'ma rip
