Love is a Crime

Lizzy Borden

I call she says
I know you're there
I can hear you breathing
It's you again
I know it's wrong
My time is gone
I can feel your touch
Right through the phoneI got your number from the TV screen
Said if you're lonely just give me a call
'cause I'm only a hotline away
We got the girls so hot and sweet
The cherry filled here your talk is cheap
We'll bring your lonely nights to lifeI feel your fingers touching me
Through my line
You seem to say all the right things
In timeLove is a crime
It's stealing my soul and my mind
Love is a crime
You get what you get love is blind[Lead Break]Love is a crime
It's stealing my soul and my mind
Love is a love is a love is a crime
You get what you get love is blindThey say I can't love girls like you
But what do they know
Leave that trash alone
I know you're more than just a voice on the phoneYour words they leave nothing to hide
On my line
I need to hear your voice inside
My lineLove is a crime
It's stealing control of my mind
Love is a love is a love is a crime
You want and you watch you can't find
Love is a crime
Love gives on the take from behind
Love is a love is a love is a crime
Behind the line she's all mineLove is a love is a love is a love is a crime
Love is a crime
Love is a crime
Love is a crime
