## **Together Forever**

## **Rick Astley**

If there's anything you need

All you have to do is say

You know you satisfy everything in me

We shouldn't waste a single daySo don't stop me falling

It's destiny calling

A power I just can't deny

It's never changing

Can't you hear me, I'm saying

I want you for the rest of my lifeTogether forever and never to part

Together forever we two

And don't you know

I would move Heaven and earth

To be together forever with youIf they ever get you down

There's always something I can do

Because I wouldn't ever wanna see you frown

I'll always do what's best for youThere ain't no mistaking

It's true love we're making

Something to last for all time

It's never changing

Can't you hear me, I'm saying

I want you for the rest of my lifeTogether forever and never to part

Together forever we two

And don't you know

I would move Heaven and earth

To be together forever with youSo don't stop me falling

It's destiny calling

A power I just can't deny

It's never changing

Can't you hear me, I'm saying

I want you for the rest of my lifeTogether forever and never to part

Together forever we two

And don't you know

I would move Heaven and earth

To be together forever with youTogether forever and never to part

Together forever we two

And don't you know

I would move Heaven and earth

To be together forever with youTogether forever and never to part

Together forever we two

And don't you know
I would move Heaven and earth
To be together forever with you
Together forever
