

# Beer In the Headlights

[Luke Bryan](#)

Honey suckle in the air, breeze blowing through your hair  
Hundred stars hanging high, under your still tide up  
In every move you make, baby I'm your DJ  
Your my favorite song, won't you let me sing-a-long Sittin' right here, out here in the middle of nowhere  
I swear I never seen, ever seen nothing like you anywhere  
I got the key turned back  
Windows down, I'm turning it up and your spinnin' around  
Takin' a sip, swingin' your hips, girl your looking so fine  
With your beer in the headlights Heart beating like a drum, call me the lucky one  
Shining these Hi-Beams on you baby  
Boots stiring up the dirt, Cottonfield concert  
You got the beautiful, I got the cooler full Sittin' right here, out here in the middle of nowhere  
I swear I never seen, ever seen nothing like you anywhere  
I got the key turned back  
Windows down, I'm turning it up and your spinnin' around  
Takin' a sip, swingin' your hips,  
girl your looking so fine with your beer in the headlights With your beer in the headlights, I'm sittin' right here,  
out here  
In the middle of nowhere (nowhere)  
I swear I never seen, ever seen nothing like you anywhere  
I got the key turned back, windows down  
I'm turning it up and your spinnin' around  
Takin' a sip, swingin' your hips,  
Girl your looking so fine, with your beer in the headlights With your beer in the headlights  
With your beer in the headlights  
With your beer in the headlights
