Kenmore Ave.

together PANGEA

She says that living with me is bringing her down
I know this shit that I'm on is bumming me out
I don't wanna try I wanna figure it out
Cause I know that living with me is bringing me downShe's got a bag, she's gonna go
Where she will ride I'll never know
She just don't care, she's on her own
She's got all packed and I'm all aloneShe says that living with me is bringing her down
I know this shit that I'm on is bumming me out
I don't wanna try I wanna figure it out
Cause I know that living with me is bringing me downShe's got a bag, she's gonna go
Where she will ride I'll never know
She just don't care, she's on her own
She's got all packed and I'm all alone
She's got a bag, she's gonna go
Where she will ride I'll never know
She just don't care, she's on her own
She's got all packed and I'm all alone
