

# Cosmonauts

## Quicksand

Draw a line in a spiral  
It won't be long before you call  
To go through these, lack of certainties  
Still acting like you know, something that you don't  
In the light, where you are  
To arrive, where you are  
Where you are  
Compromising to follow  
To its natural end  
Still close enough, to feel a blame, but  
How long can I stay, before we disintegrate  
In the light, where you are  
To arrive, where you are  
Where you are  
In the light, where you are  
To arrive, where you are  
Where you are  
Where you are
