

No One Loves Me & Neither Do I

Them Crooked Vultures

(....Yeah....uh.....ahhhahhhha)

I think I saw her for the first time maybe at a newstand

She was licking a mag, and dressed oblique

She called me baby, and was a mean lady with the song on the radio

So I told her i was rich, then she asked could i use a dirty bitch (of course)

Then she said, 'No one loves me... neither do I'

you get what you give,

and I give goodbye

'n if i should vanish

don't get caught off guard

don't hold it against me

unless it gets hard

(oh...oi...oop...hoop!.....aaawhhha.....yea.aaawhhha..that's right...)

Well if sex is a weapon, then smash, boom, pow,

how you like me now?

You can't always do it right, but you can always do whats left

So i told her i was trash, she wait til after and said 'I already know...

I've got a beautiful place to put your face' and she was right,

And i said, 'No one loves me... neither do I'

it makes perfect sense,

so i never ask 'why?'

I've got tomorrow

'cuz life doesn't wait

You can keep your soul

I don't wanna soul mate

cutting her loose, im ready to go

people in the world, your gonna lose control

cut me a noose, im ready to go

people in the world, your gonna lose control

cut me a noose, im ready to go

people in the world, your gonna lose control

cut me a noose, im ready to go

people in the world, your gonna lose....

huh

i know how to burn with passion

hold nothing back for future ration

give all you got, to not make haste

savor every single taste

you get...got
i know how to be controlled
do what they said so, what your told
quick to react, to break the box
turn on queue, as your cell door locks
behind you
I know how to be lost in lust
not because you should, but because you must
it burns white hot, and so climbs the mile
this lightening strike isn't always kind
so use me up
use me up
