Dancing Queen

ABBA

You can dance, you can jive Having the time of your life Ooh see that girl, watch that scene Diggin' the dancing queenFriday night and the lights are low Looking out for a place to go Where they play the right music, getting in the swing You come in to look for a kingAnybody could be that guy Night is young and the music's high With a bit of rock music, everything is fine You're in the mood for a dance And when you get the chance You are the dancing queen Young and sweet, only seventeen Dancing queen, feel the beat From the tambourine, oh yeahYou can dance, you can jive Having the time of your life Ooh see that girl, watch that scene Diggin' the dancing queenYou're a teaser, you turn 'em on Leave 'em burning and then you're gone Looking out for another, anyone will do You're in the mood for a dance And when you get the chance You are the dancing queen Young and sweet, only seventeen Dancing queen, feel the beat From the tambourine, oh yeahYou can dance, you can jive Having the time of your life Ooh see that girl, watch that scene Diggin' the dancing queen Diggin' the dancing queen
