One Night

After 7

You've got that look in your eyes
And I've got plans for two
Though you're the kinda girl
Who likes to take her time with love
I'd gladly wait forever for youBut in the middle of the night
I know something ain't right
We've got something special girl
Let's give it a tryOne night of touchin'
Two nights of trust
Three nights of huggin'
Makes one night of loveOne night of touchin'
Two nights of trust
Three nights of huggin'
Makes one night of loveYou've got that love in your heart
And I've got love for you
But I'm the kinda guy
Who likes to get right to the pointI wanna give my lovin' to you
So in the middle of the night
When I'm holdin' you tight
I'll show you how precious lovers
Love through the nightOne night of touchin'
Two nights of trust
Three nights of huggin'
Makes one night of loveOne night of touchin'
Two nights of trust
Three nights of huggin'
Makes one night of loveBut in the middle of the night
I know something ain't right
We've got something special girl
Let's give it a tryO, night of love
You know you owe it to me
Just one tender touch of loving
And holding, gimme your lovingO, night of love
You know you owe it to me
Just one tender touch of loving
And holding, gimme your lovingOne night of touchin'
Two nights of trust
Three nights of huggin'
Makes one night of love
