

# Bang Bang You're Dead

## Dirty Pretty Things

I knew all along  
That I was right at the start  
Bout the seeds of the weeds  
That grew in your heart  
Self satisfaction for the factions  
Who formed to tear us apart  
Well, I gave you the Midas touch  
Oh, you turned round and scratched out my heart  
Oh, what did you expect?  
Oh, tell me what did you expect?  
To lay it on my head  
So is it all upon my head?  
Bang, bang, you're dead  
Always so easily lead  
Bang, bang, you're dead  
Put all the rumors to bed  
Bang, bang, you're dead  
I knew all along  
But I was loathe to believe  
There was nothing but spite  
Fury and lies of the words that you weave  
An illusion to a conclusion  
And oh, it's, oh, so tawdry  
When you put it to bed, kick it in the head  
Oh, won't they just let it be?  
Bang, bang, you're dead  
Always so easily lead  
Bang, bang, you're dead  
Put all the rumors to bed  
Bang, bang, you're dead  
Oh, what did you expect?  
Oh, tell me what did you expect?  
To lay it on my head  
So is it all upon my head?  
Bang, bang, you're dead  
Always so easily lead  
Bang, bang, you're dead  
Put all the rumors to bed  
Bang, bang, you're dead  
Bang, bang, bang, bang, you're dead
