Somethin's Goin' On In My Room

Colin James

When I got home
I knocked on the door
I heard a strange voice
That I never heard beforeSomethin's goin' on in my room
Somethin's goin' on in my room
Yeah, the way the house is shakin'
I better find out soonWell, I looked in the window
I couldn't see a thing
The only thing I heard
Was a telephone ringSomethin's goin' on in my room
Somethin's goin' on in my room
Well, the way the house is rockin'
I better find out soonWell, you can rock it like a robot, shake it like a ragin' sea
Yeah, rock it like a robot, shake it like a ragin' sea
Well when I get in, you better have somethin' for me
Yeah, come onYeah, come onWell I hollered, oh baby
I'm gonna break in
I heard somebody scream
Once more before it endsSomethin's goin' on in my room
Somethin's goin' on in my room
Well, the way the house is shakin'
I better find out soonWhen I broke down the door
I stepped in the room
I saw my old lady drunk
And dancing with the broomThat's what's goin' on in my room
That's goin' on in my room
Well, my baby got high
And rocked like a big cycloneWell, rock it like a robot, shake it like a ragin' sea
Well, rock it like a robot, shake it like a ragin' sea
And now when I get in, you better have somethin' for me
