

No Matter What (Demo)

Papa Roach

I need you right here, by my side
You're everything I'm not in my life.
We're indestructable, we are untouchable
Nothing can take us down tonight
You are so beautiful, it should be criminal
that you could be mine.
And we will make it out alive
I promise you this love will never die! No matter what, I got your back
I'll take a bullet for you if it comes to that
I swear to God that in the bitter end We're gonna be the last one who standing
So believe me when I say, you're the one
They'll never forgive us for the things we've done
And we will make it out alive
I promise you this love will never die!
No matter what, I got your back
I'll take a bullet for you if it comes to that
I swear to God that in the bitter end
We're gonna be the last one who standing
We'll never fall, we'll never fade
I promise you forever and my soul today
No matter what until the bitter end
We're gonna be the last one who standing
And everybody said that we would never last
And if they saw us now I bet they'd take it back
It doesn't matter what we do or what we say
Cause nothing matters anyway!
No matter what, I got your back
I'll take a bullet for you if it comes to that
I swear to God that in the bitter end
We're gonna be the last one who standing We'll never fall
(We'll never fall)
We'll never fade
(We'll never fade)
No matter what until the bitter end
We're gonna be the last one who standing
