

Radar Detector (Xaphoon Jones Remix)

[Darwin Deez](#)

You and I buy star maps and drive my car around Los Angeles
You and I buy star maps and ding dong ditch a televangelist It's only been a week
But I know that you are mine to keep You are a radar detector
I drive a thousand miles an hour
I won't go on and on
But you are always looking out for me You and I go shopping and find exactly what we're looking for
You and I go shopping and fall asleep inside the mattress store. We cruise the neighborhood
But it's not supposed to feel this good You are a radar detector When I'm driving around, you are a radar detector
