Let me tell you 'bout some friends I know
They're kinda crazy but you'll dig the show
They can party till the break of dawn
At Delta Chi you can't go wrongOtter, he's the ladies' man
Every girl falls into his hands
Boon and Katy playing 'Cat and Mouse'
And Mrs. Wormer, she's the queen of theAnimal house, animal house
Animal house, animal house
Animal house, animal houseThat Pinto, he's a real swell guy
Clorette was jail bait, but he gave her a try
Chip, Doug, and Greg, they're second to none
They studied under Attila the HunMr. Jennings has got his wig on tight
Flouder's left shoe's always on his right
Babs and Mandy having a pillow fight
With Day, Hoover, Otis Day and the KnightsDo the Bluto, come on baby, dance with me
Maybe if we do the Bluto
We will get an 'A' in lobotomyDo the Bluto, do the Bluto
Do the Bluto, do the BlutoOh, come on, let me tell ya somethin'
Dean Wormer tried to shut us down
But he fell and he broke his crown
He didn't know about the Delta spunk
He came in handy when we were short a skunkThe animal house, the animal house
The animal house, animal house
Animal house, animal house, animal house
