

# Diggin' in the Dirt

Stefanie Heinzmann

Well it doesn't matter  
How many breaths it will take  
Just how many moments took your breath away  
And it doesn't matter  
How many times you cried  
Just how many reasons you find to smile  
It's okay  
It's alright, yeah  
Well it doesn't matter  
How many times you fall  
Just as long as you get up standing tall  
And it doesn't matter  
If the world don't care what you do  
Just as long as it's the world to you  
Just hold on, yeah  
Keep on, and on and on  
Diggin' in the dirt  
Looking for gold  
Getting through the hurt for something to hold  
In every single word let the story be told  
Diggin' in the dirt  
Diggin' in the dirt  
To find some soul  
To find some soul  
To find some soul  
To find some soul  
It doesn't matter  
If you're stuck deep in the mud  
Just as long as you will keep your head up  
And it is getting better  
As time goes by you will see  
There is a new turn at the end of the street  
Just walk on, mhm, yeah  
Keep on, and on and on  
Diggin' in the dirt  
Looking for gold  
Getting through the hurt for something to hold  
In every single word let the story be told  
Diggin' in the dirt

Diggin' in the dirt  
To find some soul  
To find some soul  
To find some soul  
To find some soul  
Keep on, and on  
Keep on, and on, on, yeah, mhm, yeah  
Keep on, and on  
Keep on, and on  
Keep on  
Diggin' in the dirt  
Looking for gold  
Getting through the hurt for something to hold  
In every single word let the story be told  
Diggin' in the dirt  
Diggin' in the dirt  
To find some soul  
To find some soul  
To find some soul  
To find some soul  
(diggin' in the dirt, yeah)  
(diggin' in the dirt, yeah)
