

# Guilty

## Blue

I never want to play the games that people play  
I never want to hear the things they gotta say  
I found everything I need  
I never wanted anymore than I can see  
I only want you to believe If it's wrong to tell the truth what am I supposed to do?  
All I want to do is speak my mind  
If it's wrong to do what's right I'm prepared to testify  
If loving you with all my heart's a crime then I'm guilty I wanna give you all the things you never had  
Don't try to tell me how he treats you isn't bad  
I need you back in my life  
I never wanted just to be the other guy  
I never want to live a lie If it's wrong to tell the truth what am I supposed to do?  
All I want to do is speak my mind  
If it's wrong to do what's right I'm prepared to testify  
If loving you with all my heart's a crime then I'm guilty Girl I followed my heart, followed the truth  
Right from the start it led me to you  
Please don't leave me this way  
I'm guilty now, all I have to say If it's wrong to tell the truth what am I supposed to do?  
When all I want to do is speak my mind  
If it's wrong to do what's right I'm prepared to testify  
If loving you with all my heart's a crime then I'm guilty Then I'm guilty  
Guilty, then I'm guilty  
If it's wrong to do what's right  
Then tell me about this feeling inside  
If loving you with all my heart's a crime, I'm guilty
