Turn Your Lights Down Low

Lisa Fischer

Turn your lights down low
And pull your window curtain
Oh let the moon come shining in Into our life again
Saying ooh, it's been a long, long time
(Long, long time)
I got this message for you girl
But it seems I was never on time
Did I wanna get through to you girl?
On time, on time (word)
I want to give you some love
I want to give you some good, good loving
(Uh, uh, right, uh)
Oh I, oh I, oh I
Yeah I want to give you some good, good loving (uh)
Turn your lights down low Never ever try to resist, oh no
Let your love come shining in
Into our lives again
And ooh, I love you
(I love you, I love you)
And I want you to know right now
(Know right now)
Ooh I love you
(Uh-uh, yeah, uh)
And I want you to know right now (uh)
That I, that I
I wanna give you some love (uh, yeah)

I wanna give you some good, good loving
Oh I, oh I, oh I
I wanna give you some good, good loving
Loving you is a like a song I replay
Every three minutes and thirty seconds of every day
And every chorus was written for us to recite
Every beautiful melody of devotion every night
It's potion like this ocean that might carry me
In a wave of emotion to ask you to marry me
And every word, every second, and every third
Expresses the happiness more clearly than ever heard
And when I play them, every chord is a poem

Telling the Lord how grateful I am cause I know him
The harmonies possess a sensation similar to your caress
If you asking then I'm telling you it's yes
Stand in love, take my hand in love, God bless
I want to give you some good, good loving
I want to give you some love
I want to give you some good, good loving
Oh I, oh I, oh I
I wanna give you some good, good loving
Good, good, good loving
(I wanna give you some good loving)
