

# Meteorite

## Years & Years

I don't know how it led to this  
I felt a tremor in your kiss  
Earth shakes, and I answer it, my body realigns  
It's too much, I cannot handle this  
I taste, the pleasure on your lips  
You make, planets start to spin I'm ready to ignite Let me feel your devotion  
Let me feel your emotion  
Love me like it's the last night  
Like it's the last night Hit me like a meteorite, oh  
Hit me like a meteorite, oh  
Hit me like a meteorite  
Don't let me go, don't let me go You've been, following the rush  
I've sinned, but I keep it hush  
You're near, but it's not enough, I need this to survive  
Reckless, what I'm heading for  
Lights flash, and I hear a roar  
One touch and you're so powerful, you're burning through the night Let me feel your devotion (devotion)  
Let me feel your emotion (emotion)  
Love me like it's the last night  
Like it's the last night Hit me like a meteorite, oh  
Hit me like a meteorite, oh  
Hit me like a meteorite  
Don't let me go, don't let me go  
I can feel it coming tonight  
Don't let me go, don't let me go Our path turned to stone, everything's falling  
In silver and gold, colours are warning  
And I see it, gold, when I look to the sky  
I want it all tonight, I want it all tonight Hit me like a meteorite, oh  
Hit me like a meteorite, oh  
Hit me like a meteorite  
Don't let me go, don't let me go  
I can feel it coming tonight  
Don't let me go, don't let me go
