

Falling Off

Plastic Flowers

I'll fall in love, dreaming far away,
Seems like yesterday, but now it doesn't really matter,
I guess it's moving, on and on and on and on.

I'll fall in love, dreaming far away,
There is no other way, but now it doesn't really matter,
I guess it's moving, on and on and on and on.

Without a trace in sight, there is no love to hide,
I kept on pushing my eyes through these walls again,
You never lose again, you never lose.

Suddenly, the world has turned, black all over again,
Suddenly, I feel them meet, to tell you where I go,
It doesn't matter, the same two meet again,
You never lose again, you never lose again.

I'll fall in love, dreaming far away,
Seems like yesterday, but now it doesn't really matter,
I guess it's moving, on and on and on and on.

Without a trace in sight, there is no love to hide,
I kept on pushing my eyes through these walls again,
You never lose again, you never lose again.

Suddenly, the world has turned, black all over again,
Suddenly, I feel them meet, to tell you where I go,
It doesn't matter, the same two meet again,
You never lose again, you never lose again.
