Tantrum (2005 Remastered Version)

Tankard

I came to party with a thirst of for beer
A wanna drink, so give me one to me
My body ashes and I need one now
I'm gonna get drunk and beer is the key
It set my brew down for one second
Went to the toilet - I had to pee
When I came back it wasn't very long
For me notice: My beer was goneTantrum - who stole my beer?
Tantrum - you must die!!!I searched the house from
The top to bottom
Checked all closets and under the couch
Came up empty it's nowhere to be found
Guess you stole it and I will kill
Is this a joke or some kind of nightmare
I want my beer and I want now
I gonna gun and know how to use it
And I will the choice is yours
