Is It You

Blue Rodeo

Is it you I wonder
And still it makes me laugh
Is it you that I'm looking for
Don't turn away so fastAnd while you were talking
Wide eyed I fell asleep
Hoping tomorrow might be
As sweetIs it you who whispered
Into my hazy soul?
Is it you who makes the flowers bloom
On the tenement windowsill?In a hotel room a TV glows
And songs are exchanged
Drunkenly chasing the ghost
Of eternityThere's a drunk on the sidewalk
Trying to look unconcerned
And the dead eyed motel blonde's
Wait in line for their turnIs it you who laughs
When all the other dogs snarl?
Is it you just because you listened for a whileWith this buzz of electricity
Still ringing in my ears
I wonder is it you
I wonder is it you
