

# Wolf At The Door (Zoomorphic Single)

[Keane](#)

Wake me, shake me from my sleepiness  
Wide-eyed, every tale is taller than the one before  
Inside out and upside down  
Don't make a sound  
The wolf's at the door  
And all your streetfighting years  
Won't help you anymore  
Lead me, guide me home old scatterbrain  
Blog it, every smile is wider than the one before  
Inside out and upside down  
Don't make a sound  
The wolf's at the door  
And all your streetfighting years  
Won't help you anymore  
Inside out and upside down  
And don't make a sound  
So I live and feel  
Oh no, don't make a sound  
The wolf's at the door  
And all your streetfighting years  
Won't help you anymore
