Automobile

Sam Lightnin' Hopkins

Yo Dre man, I take this bitch out to the movies
An' shit man we're kissin', an' grindin', an' shit
So we hop in the back seat, you know man
This bitch rubbin' all over my dick and frontin'
Like she's gonna give me the pussy
Man, and the bitch said 3 words, man
'Stop, no and don't'
I said, "Bitch"
You don't have to front on me dear
So why don't you just give that pussy here?
If you'd be good to me, oh, I'll be good to you
And we'll both ride home in my automobile
All that I want is a little puss'
All that I want is just a little head
If you'd be good to me, oh, I'll be good to you
An' we'll both ride home in my automobile
You don't have to front on me bitch
Don't be afraid, it's only a dick
Give up the pussy soon, all I want is a little room
Oh, get your groopy ass up my hotel room
Oh, get your groopy ass up my hotel room
All I want is the pussy, all I want is the pussy
All I want is the pussy, all I want is the pussy
If you'd be good to me, oh, I'll be good to you
And we'll both ride home in my automobile
We'll both ride home in my automobile
