

# To Be Young (Is To Be Sad, Is To Be High)

[Ryan Adams](#)

Young boy, you done me bad, I went and did ya wrong  
Young boy, you done me bad, I went and did ya wrong  
Then I got high, Lord I got high, and I got a bone to pick with you  
And I'm sure you know it's true Oh one day when you're looking back  
You were young and man you were sad  
When you're young you get sad  
When your young you get sad, then you get high  
Oh man Young gal you done me bad and I went and did ya wrong  
Young gal you done me bad so I went and did ya wrong  
Then I got high  
Lord, I got high  
Now you got a bone to pick with me, but I wish you'd let me be Oh one day when you're looking back  
You were young and man you were sad  
When you're young you get sad  
When your young you get sad, then you get high  
You get high
