I Don't Know

The Sheepdogs

Never have I heard
A more disturbing word
Holdin' out for long
I never felt so quite disturbedI get up in the morning now, I don't know
Waiting for the evening now, I don't know
Been lookin' for whats comin' now, I don't know
Would somebody please, help meLookin' back at me
There's more than mystery
Letters and pages of
Ancient history, yeahI get up in the morning now, I don't know
I've been waiting for the evening now, I don't know
I've been lookin' for whats comin' now, I don't know
Would somebody please, help meI don't know, help me
I don't know, I don't know, help meI don't know, help me
I don't know, I don't know, help meI don't know, help me
I don't know, I don't know, help me
