

# This Dream Of You

Bob Dylan

How long can I stay in this nowhere cafe  
    'Fore night turns into day  
I wonder why I'm so frightened of dawn  
    All I have and all I know  
Is this dream of you which keeps me living on  
    There's a moment when  
    All old things become new again  
But that moment might have come and gone  
    All I have and all I know  
Is this dream of you which keeps me living on  
    I look away but I keep seeing it  
I don't wanna believe but I keep believing it  
    Shadows dance upon the wall  
    Shadows that seem to know it all

    Am I too blind to see?  
    Is my heart playing tricks on me?  
I'm lost in the crowd, all my tears are gone  
    All I have and all I know  
Is this dream of you which keeps me living on  
    Everything I touch seems to disappear  
    Everywhere I turn you are always here  
    I'll run this race until my earthly death  
    I'll defend this place with my dying breath  
    From a cheerless room  
In a curtain gloom I saw a star from heaven fall  
    I turned and looked again but it was gone  
    All I have and all I know  
Is this dream of you which keeps me living on
