Beautiful Woman

Michael Wright

Beautiful Woman by Michael Wright

Here we are fallen apart
Our backs are heavy against the wall
Iâ€™ve known you now for so many years
Iâ€™m thinkn of you holdin back my tears
I just cant explain
I just donâ€™t understand

But Iâ€™m
In Love
With a Beatuiful Woman Whoa Yeah
Iâ€™m in loveâ€¦with a Beautiful Woman

I said please donâ€™t walk away
Iâ€™m beggin you honey please wonâ€™t you stay
I said letâ€™s talk
Letâ€™s talk to see us through
This is our town our lives
Just me and you

You know that Iâ€™m In Love
With a Beautiful Woman Whoa Yeah
Iâ€™m in loveâ€¦with a Beautiful Woman

Solo

Is your hamd reached for the door
I heard a heavy tear touch the floor
Can you turn around with your bags in your hand
You lifted those big brown eyes and you said

Your know that Iâ€™m In Love
With a Handsome Man Yes I am
Iâ€™m in loveâ€¦with a Beautiful Woman

Outro Instrumental

Bob Housler

Sanibel Florida
