

900

The Breeders

With tables and chairs  
And holy books for all  
With knives and forks  
And a thousand miles to go

But brother, I love you  
900 to go  
One down  
900  
One down  
Twenty five to go

Bad dog is barking  
Where snow meets the sea  
900 to go  
One down

900  
When it's time  
Brother  
Bury me  
In my clothes
