## Anassane

The serpent knows  
When the curtain falls  
With denials blindfold  
It greets another day  
Don't believe the mask  
It attempts to really lie  
The perfect ten  
When reality caves in  
Don't tell me, tell my ghost  
'Cause I blame him  
For all I don't want to know  
I found secrets about lies under told  
Life's wrapped in a riddle  
Easier said than done  
Wait to play the victim  
Just run and hide  
Don't believe the mask  
It attempts to really lie  
The perfect ten  
Where reality caves in

Don't tell me, tell my ghost  
'Cause I blame him  
For all I don't want to know  
Well, I found secrets about life under told  
Let them take me far away  
Call back in place  
It's easier to cope behind the curtain  
Wipe the worries away  
No thought about a consequence  
Don't believe the mask  
It attempts to really lie  
The perfect ten  
When reality caves in  
Don't tell me, tell my ghost  
'Cause I blame him  
For all I don't want to know  
Well, I found secrets about life under told  
Let them take me far away
